William Sawyer, Chief  
Air, Waste & Toxic Substances Branch (2ORC-AWTS)

Enclosed for your review and comment is a draft HSWA Permit for the Lenox China facility in Pomona, New Jersey. EPA is proposing to issue this draft permit jointly with a post-closure permit to be issued by the New Jersey Department of Environmental Protection (NJDEP) for the facility. As soon as an attorney is assigned, please have him/her notify Barry Tornick at x4479 or Andrew Park at x8684.

Since we are attempting to joint permit this facility with NJDEP it is important that your review not be delayed. In accordance with established procedures, please submit any comments on this permit by April 28, 1989. If you have any questions, contact Andrew Park.
